Dear Polly and signatories,

Thank you for your letter of 17 June in response to the consultation on environmental targets. I am pleased to see such a high level of engagement from leaders across the country.

We are encouraged to have received a very significant number of responses. The consultation has now closed and we are in the process of analysing the responses to help inform and finalise our first suite of legally-binding long term environmental targets.

In the meantime, I would be pleased to meet to discuss the points raised within your letter. My Private Office will be in contact to arrange a suitable time.

RT HON GEORGE EUSTICE MP
